B. National Guard

1. *Public Safety Article – Title 14* of the Annotated Code of Maryland provides for the Governor to order the National Guard into service during times of public crisis, disaster, rioting, catastrophe, or similar public emergency.
2. By law, only the County Executive may request National Guard assistance through the Maryland State Police.
3. If it is determined by the highest ranking officer at the scene of an emergency situation or incident that the National Guard is necessary, the officer will consult with the on-duty supervisor, Watch Commander, and the Assistant Chief, *Patrol Branch*.

4. If the consultation confirms the need for National Guard assistance, the Assistant Chief or Watch Commander will notify the Chief, Park Police Division, and the Chief will notify the County Executive so that a request can be made to the Governor, via the Maryland Emergency Management and Civil Defense Agency and Adjutant General. The on-duty supervisor will ensure that the *Public Information Officer* is notified.
5. When authorized by the Governor, the Maryland National Guard will support local law enforcement activities, provide additional communications equipment, assist in evacuation operations and support other operations.
