

Ovid Hazen Wells Recreational Park Master Plan Update

This park master plan update will address the recommendations that have NOT been completed from the 1995 plan.

- Determining the final location for the **Ovid Hazen Wells carousel** (temporarily located in Wheaton Regional Park).
- Confirming the presence of the **Red Wiggler Farm**, a community farming operation located within the park as part of a public private partnership.
- Development of a **greenway link** to other area parks such as Little Bennett Regional Park.
- Development of a **special recreation area** in the center of the park.
- Expansion of the existing **trail system** within the park
- Exploring an option that includes a location for the **Clarksburg Community Recreation and Aquatics Center** being studied by the Department of Recreation
- Other issues determined as part of the community outreach effort
