

Commemorative Brick Program

Rose Garden at Brookside Gardens

Brookside Gardens' Rose Garden has been a favorite destination since its opening in 1972. The stunning beauty and seductive fragrance of the roses draw visitors to this delightful garden over and over. For many, the Rose Garden holds special memories and meaning, making it a particularly lovely setting in which to honor a cherished person or celebrate a milestone.

Your brick will be engraved with a message of your choosing and installed in the walkway under the wisteria arbor in the Rose Garden. Relax on a nearby bench for a peaceful visit surrounded by the scent of roses (or flowering wisteria, depending upon the season).

To dedicate a brick today, please fill out the donation form on the back of this page. Your gift of \$500 (4" x 8" brick) or \$1000 (8" x 8" brick) covers the cost of the brick, engraving, and installation, as well as any necessary repairs or replacement for 10 years from its dedication.

Please address printed donation forms and checks to:
