## Match Play 3.0 Tennis

The 3.0 player is fairly consistent when hitting medium-paced shots but is not comfortable with all strokes and lacks execution when trying for directional control, depth, and pace. First half of class focuses on needed drills and skills. Class finishes with a session of supervised match play. Instructor reserves the right to transfer you up or down a level if you are not closely matched in skill level.

## Match Play 3.5 Tennis

The 3.5 player has dependable strokes, but still lacks depth, variety, and the ability to alter distance of shots. Lack of confidence might limit the 3.5 player in effective use of lobs, overheads, approach shots, and volleys. This player is more comfortable at net, has improved court awareness, and is developing teamwork in doubles. First half of class focuses on needed drills and skills. Class finishes with a session of supervised match play. Instructor reserves the right to transfer you up or down a level if you are not closely matched in skill level.
