# 2024 Lottery Archery Managed Hunting Program Shooting Qualification Standards and Dates

### Shooting Qualification Standards:

- Must qualify with all archery equipment you intend to hunt with, compound bow and/or crossbow
- Required use of broadheads intended for hunting (unique practice heads that come with expandable broadheads will be permitted, but general practice heads (field points) will not be permitted)
- **NEW!** Must bring a minimum of 3 arrows with broadheads/practice broadheads attached to each in order to qualify. Range officers will not allow you to take one shot and then go to the target to pull your arrow/bolt to take your subsequent 2nd and 3rd shots.
- **NEW! FOR NEW PARTICIPANTS ONLY**, shooting quals must occur from an elevated position (this will require you to select a shooting qual date/location where an elevated platform is utilized; more information provided below)
- **NEW! FOR RETURNING PARTICIPANTS**, shooting quals can occur at any approved range (see below), and can be done from the ground OR an elevated position depending on range accommodations.
- 3 of 4 shots within a 6" circle drawn on three, 3D deer targets placed at random distances not to exceed 30 yds (**NOTE:** These standards exceed that of the MD-DNR/State requirements)
- Only one qualification attempt per weapon type per day. Failure Implications are:
  - 1 failed attempt = one additional opportunity to attempt qualification on a subsequent date
  - 2 failed attempts = Disqualification for the season
- **NEW!** For *Montgomery Parks hosted qualifications (South Germantown Archery Range)*, participants must reserve a time slot per each weapon they intend to qualify with (i.e., if you are qualifying with both a compound bow and a crossbow, you would need to reserve a time slot for each).

## Shooting Qualification Locations/Directions:

**PLEASE NOTE:** *Qualifications for the purpose of participating in the Montgomery Parks Managed Lottery Archery Program may **ONLY** occur at the following locations, which utilize Montgomery Parks-specific qualification standards:*

- **Montgomery Parks hosted qualifications** (no fees at this range)
- **NOTE:** Shooting to occur from the GROUND ONLY (No elevated shooting platform available- ONLY RETURNING PARTICIPANTS ADMITTED)
